

RAVELLO 
ARTS COUNCIL

CHAMBER
MUSIC
ON THE
AMALFI
COAST

Under the
High Patronage
of the President
of the Italian Republic

The Ravello Concert Society is pleased to announce its 31st season of concerts. The RCS concert series is a traditional and well established date in Ravello which over the years has delighted thousands of visitors with a wide range of performances by soloists and chamber music groups. The 2016 program showcases a changing lineup of musicians and groups featuring works from classical selections to enjoyable jazz performances.

As in the past season, the concert start time from 18th March to 6th May will be 7.00 pm, in line with what usually happens all over the world, and a definitely more suitable time to take advantage of the public bus service at the concert end, which is reduced in Winter and Spring. The concerts from 9th May to 10th September will be performed at 09.00 pm, for concertgoers to have time to appreciate thoroughly Ravello and to enjoy our music in the cool of the evening.

The new season kicks off on Friday **18th March**, with the piano recital by Fabrizio Romano, whose technical prowess and compelling interpretation make him an in-demand performer. It continues with 29 weeks of concerts, until the **31st October**, a sequence of musical events, featuring musicians with undeniable skills.

Recognized worldwide as a pianist of virtuosity and poetic poise, Imogen Cooper has established a reputation as one of the finest interpreters of the classical repertoire and she will be performing for RCS on **27th May**.

The Music Collection of Sir Nevile Reid - the Scottish botanist who created Villa Rufolo Gardens in the 19th century - will be performed by the pianist Raffaele Maisano on **22nd April**.

"*Omens of a new era. Gustav Mahler and his time*" this is the theme of the concert scheduled on **28th May** featuring the Gagliano String Quartet which will play, among the others, "Fourth for Four" IV Symphony by Mahler - 1st movement transcription for string quartet .

Several recurring themes are woven throughout the season, such as Neapolis String Quartet multi-year projects of the complete series of quartets, Haydn's (**4th April**), Beethoven's (**16th May**) and Schubert's (**31st October**). Mendelssohn's series of quartets will be completed on **6th June**. The pianist Gianluca Di Donato goes on with his performance of Schubert's piano sonatas (**8th April, 10th June and 8th October**); while Lidia Ciocchetti on **11th April** will reach the third date (out of 11) of the monumental series of Haydn's piano sonatas. Violin sonatas by Bach (**2nd May**) Beethoven (**14th May**) and Mozart (**13th June**) will be performed respectively by Coppola & Biondi, Dumont & Romano and Rocchino & Ciocchetti.

The season will be filled with celebrations of milestones of classical music such as Chopin who will be the subject of two moving recitals by the pianist Marco Grieco on **15th June** and the pianist Sunghoon Simon Hwang on **11th July**; Beethoven's sonatas for violin and piano will be the protagonist of the concerts by the duo Argentino-Porpora Anastasio on **18th July** and **2nd September**, while Giuseppe Maiorca will perform Beethoven's piano sonatas in two recitals on **4th May** and **12th September**; Costantino Catena will dedicate his piano recital to Schumann on **25th June** and to Brahms on **23rd September**.

Throughout the season, our offer will introduce audiences to our well established "Jazz contaminations": music should bring us together and open our minds to discovery, innovation and reflection, it resists categorization, then let's go on contaminating with 16 events which feature an appealing and original crossover of classic and jazz music.

Here are some highlights:

"*The Four Seasons on either sides of the Equator*" on **20th April** by Mythos Trio featuring Cajkovskij and Piazzolla; on **27th June** the Cimarosa Jazz Quartet will perform the Suite for cello & jazz piano trio composed in 1984 by the French jazz composer Claude Bolling; the Trio Sertango (accordion, classic guitar and piano) will take the scene bewitching the audience with intoxicating tangos on **7th July**; on **14th July** the pianist Raffaele Maisano will join the DelaVerdi Sax for an exciting foray into Gershwin and Bernstein; on **8th August**, starting from a music book forgotten by a traveler at the beginning of the 1900's in his hotel in Ravello, a concert to come back to the ragtime era with music by Scott Joplin, Jelly Roll Morton, James P. Johnson, Fats Waller and others performed by the classical pianist Luca Mennella; on **5th October** "*It's Fantasy*" by the pianist Giovanni Doria Miglietta with music from Schubert, Scriabin and Wilde.

Our new recital hall, the Ravello Art Center, the former Grand Caruso Wine Cellar, very close to Ravello main square, about 50 m from the parking and 30 m from the bus stop, this years will host all two piano performances (7) as, among the others, on **22nd June** Vetrucchio & Liroy playing an intense programme starting from the most classical of Mozart sonata to end with a "rag" version of the music by the genius from Salzburg following the original interpretation created by the talented performer Greg Anderson; the "*Songs from 1st Millenium*", Jazz Improvisations on medieval monastic songs which will be performed by the two piano duo Raffaele Maisano and Mattia Mistrangelo on **7 October**.

But we do not forget our historical location! The Annunziata Historic Building is located on the borderline of Villa Rufolo Park and, with its world famous domes, has been since ever the landmark of Ravello and its Music Festival. The Annunziata was built in 1281 by Fusco noble family and later became part of the Rufolo family estate. In 1851 Villa Rufolo was bought by Sir Nevile Reid, a Scottish botanist. He restored the Villa to its antique splendour, adding rare plants to its gardens. A new restoration work was carried out in 1982-1983 bringing the Historic Building to its original roman style. Since then the complex, with its two Recital Halls connected by a porch, has been used as location of our concerts.

To coincide with the announcement of the new season of concerts, RCS continues its revitalization by unveiling a freshly and new user-friendly, responsive website. Have a look at www.ravelloarts.org

Enjoy some of the most sought-after artists in Ravello's most acoustically perfect halls! Immerse yourself in great classics or coolest jazz improvisations and be part of an audience who knows how essential chamber music is to the soul.

ABOUT RCS

The “Princess Concerts” - organized to commemorate the visit of the Princess Maria José of Savoy who came to Ravello in 1933 - was the first music festival to be promoted by Ravello Concert Society. Since then RCS has produced about two thousand events, featuring in excess of 800 musicians in Ravello and on the Amalfi Coast. RCS has developed a growing local, national and international reputation as arts promoter, running events with a promise of great music in casual but stimulating environments, with top-flight musicians, an ear for contemporary music and refreshing concert formats. Thanks to the support of its audience, RCS became more and more well established and strong in order to guarantee a yearly planning of events as long-lasting as possible and not dependent on public funding. The music has touched the souls of thousands of listeners and we've helped artists connect with each other and with an international audiences. At RCS there are always great musicians and interesting, engaging music. And there's always the chance to make new friends, meet the artists and escape from your to-do list for an hour or two.

USEFUL TIPS ...

How to reach Ravello by car

www.autostrade.it

Coming from North

Leave the motorway A3(E45) Napoli-Salerno at **Angri SUD** gate following the indications to Costiera Amalfitana and Valico di Chiunzi pass (SP1 road).

Coming from South

On A3 (E45) Napoli-Reggio Calabria exit at **Salerno Centro** and drive along the SS163 “Amalfitana” road. This is a very panoramic but winding road where traffic jams are frequent in weekends and holidays. It is better then to continue on the A3 and exit at **Nocera** gate to reach Ravello through “Valico di Chiunzi” pass.

By bus & Taxi

www.sitasudtrasporti.it

Amalfi (5 Km far from Ravello) is the terminal of busses. From Amalfi there are many connections to other towns of the coast: 1h 10' to Salerno, 1h 40' to Sorrento, 50' to Positano and 25' to Ravello. The bus timetable is available at the above mentioned web site and in all tourist info points on the Coast.

A list of taxi drivers that have an agreement for special fares is available on the Ravello Concert Society web site.

Parking

We suggest the “Piazza Duomo” public parking near Ravello main square. Automated payment: it is advisable to bring coins.

On foot, trekking, climbing & MTB

www.movicoast.com

If you are staying in the nearby, you can also reach Ravello walking along the many footpaths which, starting from the coast, climb up to the village on a hill at 365m. Ravello is the starting point of several trails, which are part of a network of about 100 itineraries in the regional Park of Lattari Mountains. Some itineraries are also suitable for mountain bikes. A group of bikers is locally active: for further information write to info@movicoast.com.

Local products

www.ravellolands.it

The “sfusato amalfitano” lemon is the most renown among the local products and the “limoncello” liquor is made by infusing the lemon peel in alcohol. During the concert intermission a free taste of “Ravello Concert Society Selection” limoncello is offered by the liquor maker “I Giardini di Ravello” (www.igiardinidiravello.it).

Restaurants

On the evening of the concert almost all restaurants in Ravello apply a 15% discount for concert ticket holders. An updated list is available on the Ravello Concert Society web site.

Concert locations

The **Annunziata Historic Building** is located on the borderline of Villa Rufolo Park and, with its world famous domes, has been since ever the landmark of Ravello and its Music Festival. The Annunziata was built in 1281 by Fusco noble family and later became part of the **Rufolo** family estate. In 1851 Villa Rufolo was bought by Sir Nevile Reid, a Scottish botanist. He restored the Villa to its antique splendour, adding rare plants to its gardens. A new restoration work was carried out in 1982-1983 bringing the Historic Building to its original roman style. Since then the complex, with its two Recital Halls connected by a porch, has been used as location of our concerts. Since May 2015 a new venue has been open: the **Ravello Art Center** at the former **Grand Caruso Wine Cellars**, dating back to the end of 19th cent. Very close to Ravello main square, about 50 m from the the parking and 30 m from the

bus stop, the Ravello Art Centre hosts all two piano concerts.

Concert Tickets

Numbered seats: Euro 27,50 (children under 14s Euro15,00), fees included. It is preferable to book on the web: ticket collection will be at the venue box office that opens 30' minutes before each performance. It is also possible to purchase tickets at the Ravello Arts Council Box Office in the main square and at the Tourist Information Office. Tickets are not refundable (except in the event that the performance is cancelled), but may be exchanged up to 24 hours before the event to a different concert. The right is reserved to substitute artists, to vary the advertised programme and the concert location if necessary.

Free WiFi

Free Wifi Service provided by the UK Company Purple WiFi Ltd is available inside the Annunziata and around the Box Office. Search for RCS Free WiFi and stay connected with your friends!

Live recordings

We record all concerts for future CD release. The recordings are not designed to document perfection, but to capture the excitement of the live concert experience. Please ask at the box office about the availability for the concert that you have just attended or write to info@ravelloarts.org for past recordings.

Dress code

Don't worry, you do not need to bring an evening dress in your baggage. Casual wear is the rule.

Concert & Museum entrance

Concert tickets purchased on RCS internet site (www.ravelloarts.org) include free entrance to the Ravello Cathedral Museum.

... AND STEPS!

The vertical city

To reach the Annunziata you have to walk down (...and up) 91 steps from the Villa Rufolo main entrance. Actually other 90 steps downward will take you to a drivable road (Via della Repubblica). Then, in case you booked a taxi, you can ask the driver to pick you up on this road at the end of the concert. Most of Ravello historical and artistic sites are reachable only going up and down by foot. We apologize, but the Amalfi Coast has been growing in a vertical dimension over the centuries and that makes it so beautiful!
