Convento di Santa Maria a Castro or San Domenico – PRAIANO**

The concert will take place in a wonderful location, far from the summery chaos: the convent of Santa Maria a Castro or of San Domenico is located on the top of Praiano and it's reachable only by foot following a walk made of 1000 steps.

The event will be an extraordinary occasion to experiment new emotions in the nature.

It will be also a precious opportunity for citizens and guests of Praiano to discover places far from the centre. It's advisable to wear comfortable clothes for this wonderful walk but in the same time demanding excursion.

The concert will take place on the square in front of the convent; the audience could sit on the benches or on the floor. Here there are some useful information about how to take part at the concert:

The recommended itinerary to reach the convent of Santa Maria a Castro starts from the SS 163/ Via G. Capriglione: near to the Hotel Smeraldo take staircase called "Via degli Ulivi"; when you are upstairs take your left on "Via Croce"; then continue always right and take "via San Giuseppe-Via San Domenico".

There are about 1000 steps, the pathway is simple but it's advisable to be very carefully!
