SOUTH TYROLIAN WINE ROAD WEEKS AND WINE CELLAR NIGHT

15TH MAY – 14 JUNE 2008

The 15 wine growing districts along the South Tyrolean Wine Road cordially invite you to discover, live and enjoy this holiday region at the most southerly reaches of South Tyrol.

The South Tyrolean Wine Road really lives up to its name, with extensive vineyards in the valley and up the slopes, well-known and internationally famous wines, culinary and cultural features awaiting you, accompanied by good old-fashioned hospitality, a wine tradition that is alive and well and Mediterranean 'joie de vivre'.

From 15th May to 14th June, the South Tyrolean Wine Road will provide the setting for a truly special event: the South Tyrolean Wine Road Weeks! The Bozen Wine Tasting event, breakfast with spumante, wine seminars and tasting sessions of Gewürztraminer, Pinot Noir and Vernatsch, wine tasting comparing different Lagreins, wine events on the subject of wine and crafts, gastronomic and culinary delicacies and lots more will be taking place at various historic and architecturally interesting venues.

The grande finale of the South Tyrolean Wine Road Weeks will be the Wine Cellar Night on 14th June, when wine cellars, wine farms and private vintners from along the Wine Road will all open their doors for the night and give you the opportunity to experience different 'wine routes' by means of shuttle bus. You'll be in for a surprise – we look forward to seeing you!

Welcome to the South Tyrolean Wine Road!
